

**Brabourne Church of England
Primary School**

22nd May 2019

Dear Parents,

Puberty and Growing Up

Mr Stapley and Mrs Burnett will be discussing this topic with Jupiter class, at some point, before the end of term. They will also show a DVD, as part of PSHE (Personal Social Health & Economic education).

We do require parental consent for these talks and therefore please complete and return the form at the end of this letter, for our records, by this Friday. Here at Brabourne you do have the right to withdraw your child from this lesson.

If you have any concerns about this, please do come and see either myself or Mrs Burnett.

Yours sincerely,

Andrew Stapley
Headteacher
