

Parent Maths Questionnaire

At Brabourne School, we are always looking at ways we can improve the teaching and learning of Maths, in particular ways to support you with helping your child at home, as we are aware that the teaching of Maths has changed since we were at school!

We will be holding a parent workshop on Wednesday, 16th October 2019 at 2.30pm in the school hall and we would really like to focus on what it is you, as a parent, would like from the workshop.

To help us with this, could you please complete the table and return to us no later than this Friday, 4th October.

Would you like to know more about.....	Yes, I would really like to know more about this	This maybe of interest to me	No, I do not want to know about this
our Calculation Policy?			
the strategies that are used within the classroom?			
the content of the Maths National Curriculum?			
having better understanding of Working Towards, Expected and Greater Depth?			
Mastery Maths?			
what resources are used to support the children's learning			
the Scheme we use to support teaching of Maths?			
more about the SAT's process?			
the new statutory Times Table Test?			
online resources that can support your child at home?			
how Mathletics and TT Rock Stars work?
