

Year 5 – as lots of you know, at the end of year 6 we like to recall some of your best, most important memories from your time at Brabourne. Each year we have asked you to spend some time thinking about it and write down any you can remember so that when the time comes you don't have to think years back. So, I'd like you to record your Year 5 memories below. Even though it's been a strange year, we have been to Kent life, some went to the 02, we had the Christmas performance, chocolate making, VAR, art lessons...etc and you can include your learning you've done at home.
