Headteacher: Mr Andrew Stapley

Thursday 27 May 2021

Dear parents/carers

Contact tracing over May half term

I have been asked by the DfE to pass on the following information for the half term holidays.

Where pupils or staff test positive for COVID-19 during half-term, having developed symptoms more than 2 days since being in school, no action is needed. Staff, young people, parents and carers should follow contact tracing instructions provided by NHS Test and Trace. However, where pupils or staff test positive having developed symptoms within 2 days of being in school or college, the school should be notified immediately, as the individual may have been infectious whilst in school.

This means that if your child/ren test positive up until and including **Sunday, 30 May**, you need to contact the school and inform us of the positive test result.

With best wishes,

Andrew Stapley

Headteacher
