

Brabourne

CofE Primary School

Friday 27th May 2022

Welcome to our special edition Jubilee Newsletter. We hope you enjoy the pictures of our celebrations. We would like to give a special thank you to Mr Smith who donated a wonderful crop of delicious strawberries for our street party. They were enjoyed by everyone! Have a very Happy Jubilee half term! We return to school on **Wednesday, 8th June**.

With best wishes
Andrew Stapley
Headteacher

BIG

Battery Hunt!

national
schools
partnership

The Eco Team have come up with a challenge! We are sending out battery boxes; the challenge is for all the classes to collect as many used batteries as they can. It has to be handed in by the 22nd June.

We could win a prize if we collect the most batteries - recycling batteries is good for our environment.

So get collecting!
