

**Transition sessions:**  
Laboratory - Bunsen burner - lab coat - gas tap - acid - alkaline - indicator

**Biology**  
Animals including humans Year 6

**Biology**  
Evolution and Inheritance

**Chemistry**  
T3: Rocks & soils Year 3

**Physics**  
Force & magnets

**Year 3/4 Cycle B**

**Biology**  
Animals including humans and skeletons Year 3 & 4

**Biology**  
Plants

**Biology**  
(T3: Living things and their habitats)

**Physics**  
(T1: Sound)

**Living Things and Their Habitats**  
Year 4

**Year 3/4 Cycle A**

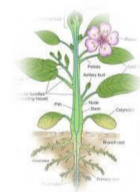

**NEW VOCABULARY WE LEARN IN LOWER KEY STAGE TWO**  
**ENQUIRY** = plan - dependent variable - independent hazards - risks - variable - control variable - fair test - systematic  
**EQUIPMENT** = data logger - primary/secondary sources  
**DATA/RECORDING** = labelled diagram - evidence - report - limitations - justify

**Physics**  
(T4: Electricity)

**Physics**  
(T2: Light)

**Chemistry**  
Everyday materials  
Uses of everyday materials

**Biology**  
Plants

**Year 1/2 Cycle B**

**Seasonal Changes**  
(Spring & Summer)

**Biology**  
Animals including humans Year 1 & 2

**Early Learning Goal**  
Pupils talk about the features of their own immediate environments and how environments might vary from one another

**Year 1/2 Cycle A**

**EYFS**

**NEW VOCABULARY WE LEARN IN KEY STAGE ONE**  
**ENQUIRY** = answer - observe - equipment - research - classify - identify - comparative test - pattern seeking - predict - enquiry  
**DATA/RECORDING** = record - explain - table/chart - data - describe - reasoning - result

**Biology**  
Animals including humans  
Animals, living things & habitats

**Seasonal Changes**  
(Autumn & Winter)
