

Brabourne Summer Fair

Friday, 7th July (after Sports Day)

Save the Date!

Can you help?

Sponsor a stall

If your company would like to sponsor a fair stall please let us know. Sponsorship starts from £20 & we'll advertise your company's details on the day in return.

Estate Agent Boards

If you could display an estate agent board outside your house, advertising the fair, please let Mrs Parry know. The PTA receives money for every board – thank you!

Don't forget - we're currently raising funds towards our £6,000 contribution for the outdoor cover.

Match Funding

What is it?

"A company pledges to match a sum of money relating to the amount the employee has either raised or donated to a charity." So if you run a stall at the fair, your company could match the total sum made at that stall. If you think this is something your employer would do, please get in touch! Match funding can add lots of extra funds to the total raised.

Helpers needed

The Summer Fair is still a few weeks away but we always need manpower in the run-up to it and on the day. If you can help please get in touch – we can't run the fair without additional helpers.
