

Activity Sheet Week Beginning 22/05/23

	What have we been learning about at school?	What could you do to support at home?
Phonics	<ul style="list-style-type: none"> This week we have continued to look at adjacent consonants in polysyllabic words. This means words with more than one syllable e.g. chomping, surfer, chimpanzee. We have practiced breaking the words into syllables by clapping them – chomp-ing, surf-er, chim-pan-zee We have learnt the new tricky words; out, one, what and when. 	<ul style="list-style-type: none"> Practise clapping words to find the syllables. Clap the names of your family members. Who has the most syllables in the their name? Can you think of a word that has more/less syllables than your name? Practise reading the new tricky words out, one, what and when.
Literacy	<ul style="list-style-type: none"> This week we have continued to look at the story Handa’s Surprise and practise the words; precarious, spiky, swaying, rotten, crashing, oblivious in drawing club. 	<h1 style="margin: 0;">Have fun during the half term break and come back ready for school and the final term in Venus class.</h1>
Maths	<ul style="list-style-type: none"> In Maths this week we have consolidated our learning of numbers to 10. We have a secure understanding of these numbers now. We are trying hard to recall some bonds of numbers that make tens as well as some double facts. 	
Topic	<ul style="list-style-type: none"> This week we have been enjoying comparing the changes in our sunflowers, peas and beans. We have now re-potted this and are having a sunflower growing competition. Last week we took care of a little gosling for a day for Mrs Fenwick and this week she very kindly gave us some of her eggs. We have put these into an incubator to keep warm and are eagerly waiting to see what hatches from them. This will take around 4 weeks. In PE with coach Harry we enjoyed completing the fun run around the field – thank you for all the donations sent in to raise money for Kent Association for the Blind. In RE we have been finding out about different religions around the world and some artefacts and that are special to each. 	
Growing and changing		

Thank you for all your support. Have a wonderful half term.

Mrs Winchester
