

PTA Coin Challenge

2023

Starts Mon, 2nd October

Ends Fri, 13 October

This is how it works:

- Bring your spare silver change to school & add it to your class' money jar
- Work together to fill the jar with silver coins – you can fill it more than once
- The class that raises the most (total amount) in silver change wins a film afternoon with food & drink
- Want your class to win? Bring in your change from 2nd October

PS: Venus' jar is half the size of the others due to their smaller class size to make it fair for everybody
