

Activity Sheet Week Beginning 25/3/24 Term 4 Week 6

	What have we been learning about at school?	What could you do to support at home?
Phonics	<ul style="list-style-type: none"> In phonics we have continued to review all the Level 3 sounds and carry out assessments to identify any gaps We been using our knowledge of all the level 3 digraphs and trigraphs to read and write captions and sentences. We have continued to practise all of the phase 3 tricky words with a particular focus on –me my was my you here they all are. 	<p style="text-align: center;">Please take time to meet up with family and friends to create more special memories. Feel free to upload any adventures onto Seesaw.</p> <p style="text-align: center;">We hope you have a wonderful Easter and look forward to seeing you in Term 5!</p>
Literacy	<ul style="list-style-type: none"> We read stories linked to Easter and Spring. One of our favourites was ‘We’re Going on an Egg Hunt’ by Martha Mumford and Laura Hughes. We joined in with the repetitive language and had a go at acting our parts of the story. This week we learnt about the work of David Attenborough. We also talked about some endangered animals and why they are vulnerable. We learnt some things that we can do to help make a difference to our planet and protect it for the animals that live on it; such as planting new trees and flowers, recycling our rubbish and saving energy. We designed our own posters to explain how we can look after our planet and animals. 	
Maths	<ul style="list-style-type: none"> This week in maths we have been exploring 2D and 3D shapes We learnt the names of different 3D shapes and started to look at their properties, We explored which shapes were good at rolling and sliding. We went on a 3D shape hunt around the school. <p>3D shape songs:</p> <p>3D Shapes I Know (solid shapes song- including sphere, cylinder, cube, cone, and pyramid) - YouTube Kids</p> <p>Name That Shape! (3D/solid shapes version) [identifying various 3D or "solid" shapes by name] - YouTube Kids</p> <p>https://www.topmarks.co.uk/ordering-and-sequencing/shape-patterns</p> <ul style="list-style-type: none"> Key vocabulary: 3D, 2D, shape, sides, corners, flat, solid, cone, cube, cylinder, sphere, pyramid 	
Topic	<ul style="list-style-type: none"> Thank you for all the contributions for our Easter gardens. Venus loved working collaboratively with the Year 5 pupils to create their Easter gardens. The children thought carefully about what to put inside, such as a stone for a tomb and 3 crosses. This week we have also been finding out more about the Easter story and the significance of the cross. https://www.youtubekids.com/watch?v=cZ4gQniUVO8 We made Easter cards, Easter nests and even ate hot cross buns! In our outdoor learning session with Ellen we practised tying and untying knots. We had our Easter Service on Wednesday and performed our ‘Tiny Seed’ song beautifully. We enjoyed a fun Easter egg hunt organised by the PTA!
